

401 KAR 50:005. General application.

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION CABINET
Department for Environmental Protection
Division for Air Quality

RELATES TO: KRS Chapter 224

PURSUANT TO: KRS 13,082, 224.033

NECESSITY AND FUNCTION: KRS 224.033 requires the Department for Natural Resources and Environmental Protection to prescribe regulations for the prevention, abatement, and control of air pollution. This regulation provides guidelines by which all regulations of Title 401, Chapters 50 to 65, are to be understood.

Section 1. General Application of Regulations and Standards. Regulations of the department shall be construed and applied in light of the considerations set forth hereinafter which shall guide the department in the issuance, modification, and revocation of permits.

- (1) In the absence of any standard specified in these regulations, all air contaminant sources shall as a minimum apply such control procedures as are reasonable, available, and practical.
- (2) Nothing in these regulations is intended to permit any practice which is in violation of any statute, ordinance, or regulation.
- (3) These regulations shall be construed as complementary to each other, and to such other regulations as have been adopted or shall be adopted by the department. If any provision of these regulations as have been adopted or shall be adopted by the department. If any provision of these regulations or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or application of any other part of these regulations, and to this end each provision of these regulations, and the various applications thereof are declared to be severable.
